St Paul's Holiday Club is a nut free zone – please honour this rule

We are committed to working with parents and carers to provide a safe, caring and enjoyable environment for all children attending any session. We believe it is vital that parents and carers feel they can approach members of staff with any concerns they may have concerning their children or the setting. We ask that this is done in an appropriate and respectful way.

If the child is unwell please do not send them to the club.

Parents or guardians must be available throughout the event to take a call on the number provided or to collect their child in the event of sickness, accident, unmanageable or repeated misbehaviour.

Children should not bring mobile phones, money or any personal belongings.

Those bringing children to the event must collect them unless an alternative is pre-agreed with the Registration team. Punctuality is important.

Other important information.
Please give details of any other important information that you think we should know.

I give permission for the above-named child to take part in club activities for the duration of the event. I understand that the child will be under the control of adults and they will take all reasonable care of the children. However, they cannot necessarily be held responsible for any loss, damage or injury suffered by the child during, or as a result of, the activity.
